ABOUT US

A team of professional experts joined hands to form UFT Trader with the sole aim to export high quality Beauty Instruments including eyelash tweezers, eyebrow tweezer, hair cutting scissor, thinning scissor and alot more under the banner of UFT Trader. Our products were advertised throughout the world by the help of catalogues, brochures and personal visits to different countries of the world.

Every product device is the direct result of years of experience, development and quality manufacturing. We use only the highest quality material and components available today. Infact, we are so proud of our unique products that we offer 100% satisfaction guarantee.

Employees constantly strive for the continuous improvement in quality levels in order to reduce and attempt to eliminate all errors.

UFT Trader insistence on quality customer services has resulted in a loyal market in the medical field. Competitive pricing and improvement in design and materials used in our new line of Beauty products should enable UFT Trader to take the lead in this market.

UFT Trader philosophy is to provide serviceable products to meet the requirements of our clients for quality serving to their customers. UFT trader has been a top quality beauty instruments manufacturer and exporter for several years. We are committed to establish a lifelong partnership with all of our customers.
